Indicate reasons for desiring to serve: As a 28 year resident of Troy I have been very active in many aspects
of working with children and families in our community. I have also been a business leader for many years in the city
and believe I can be of great service to our city. I have no specific political affiliation and thus can approach a city council
role from an unbiased perspective. With my background in Turnaround and Restructuring large companies and
assisting government agencies I have wealth of experience in handling challenging decisions. In addition, I am on the
Governor's list of approved emergency managers and my company is approved to do work with the State of Michigan.

WHITEHALL GROUP, L.L.C.

Joseph M. Bione

Joseph Bione is President and founder of the Whitehall Group with over 35+ years of experience in manufacturing and restructuring. Mr. Bione's expertise includes the areas of operations, finance, reengineering, enterprise lean, continuous improvement and supply chain management. The Whitehall Group provides services to companies in transition or trouble.

In industry, Mr. Bione has served as Interim CEO/President for many clients during transition and return to profitability, including CMI Holdings, Venture Industries, Talon Automotive Group, Como Plastics, Detroit Plastic Molding and Kuhlman Automotive Group. He is currently serving as Interim President/CEO for American Special Vehicle Cars, (ASC) where he has won the 2016 Manufacturing Leadership Award (ML100) for Visionary Leadership. He was recently engaged as EVP of Operations at Constar, Inc. a \$500MM manufacturing company, working with a team on restructuring the company, where he won the 2012 Manufacturing Leadership 100 (ML 100) Award for Turnarounds. Mr. Bione is on the Governors' list of potential Emergency Managers and Whitehall has been approved by the State of Michigan as an approved "Turnaround and Restructuring" resource. (Contract # 271B4300019)

Mr. Bione started his manufacturing career at Johnson Controls, where he served as VP & General Manager for both the Automotive Group and Beverage Bottle Division and at the American Sterilizer Company, as Director of Operations for the Medical Products Division. Mr. Bione was also a Partner at Deloitte Consulting in the Automotive, Supply Chain and Restructuring Practices with Global Account Responsibility for DaimlerChrysler and co-leadership of the Global Automotive Practice.

Mr. Bione is a frequent speaker at industry events, including the MICPA Management and Information Business Show, the Automotive News APD Motor Vehicle Metal Resins Conference and the OESA "Best Practices" Regional Meetings. He also contributed two guest columns in both the TMA newsletter and at the OESA Annual Outlook Conference. He participated in Powerplex as a guest speaker, the Automotive Supplier Finance Summit, and Eastern Michigan's College of Business' Ethos Week. Besides speaking, Mr. Bione has authored a series of four (4) articles in addressing the "Business Transition Issues" that companies are facing today featured in Business Management Magazine.

Mr. Bione is an Advisory Board Member of Gannon University's Business & Engineering Programs, University of Detroit Mercy's Turnaround Management M.B.A. program, Eastern Michigan University's Supply Chain Management program and the Erie Chamber of Commerce. Mr. Bione earned his B.S. in Business Management with a minor in Engineering, an M.B.A. in Organizational Behavior, and the "Distinguished Alumni Award" from Gannon University in Erie, PA. His certifications include the CPM (Purchasing), CPIM (Production Control & Inventory), and is a longtime member of the Turnaround Management Association. (TMA)
